

MANAGEMENT OF IMPARTIALITY CERTIFICATION OF PERSON SCHEME PROCESS

SSSC understands the importance of impartiality. Our structure, policies and procedures are designed to manage any conflict of interest and to ensure the objectivity of our management system and product certification.

SSSC has developed a documented structure, procedure and policy which will safeguard all the aspects of impartiality. SSSC QHSE policy is displayed and publicly visible without any request. It shows the dedication and the responsibilities of the management towards the quality of the service rendered.

This is also to protect the SSSC objectivity and ensure the customer's satisfaction and comply the rules of the accreditation bodies.

The certification of Persons shall be completed in accordance to the Examination Procedure of SSSC. All the applications shall be checked and analyzed and shall be assessed fairly and the certification shall be acknowledged in an impartial basis.

The personnel involved in the certification jobs are full time employee of SSSC and shall follow relevant standards and order to perform their jobs in a safe manner and in order to reach the judgment, whether the personnel they have witnessed is suitable for the continuing usage for the respective field.

An impartiality committee is formed in SSSC which would meet once in every year to discuss and review the Risks to the impartiality on an ongoing basis. All the complaints, appeals, feedback regarding the certification of person process can be addressed to info@starsafetyuae.com which would be separately handled by the QHSE Manager.
